Charity Begins in your Community

As we are gearing up for Ramadan this year consider helping out people in your community. Food insecurity is the biggest challenge that our community is facing, making it even more important to all of us to come together and end hunger. We strongly believe that access to good quality food for all is possible, and essential for a thriving society and here is how we are nourishing our community through dedicated and unified actions.

The Muslim Food Bank is now currently actively distributing food hampers in 7 different locations across Canada including: Vancouver, Surrey, Toronto, Calgary, Winnipeg, Regina & now Halifax.
