Muslim Food Bank Ontario Serving North York & Kitchener

Expansion of our Kitchener Location

After seeing the overwhelming demand of our services across Ontario, the Muslim Food Bank and Community Services have expanded to Kitchener to provide support to the people in need in that community.

Our North York location distributes food hampers to over 1000 people every month and we look to add on this through our new Kitchener location. Other than food support, Muslim Food Bank in Ontario provides a lot of well needed services such as our Case worker program, mental health program and online workshops to help make our clients self-reliant.
