## Our Expansion to Calgary!

After seeing the overwhelming demand of our services across Alberta, the Muslim Food Bank and Community Services have expanded to Calgary to provide support to the people in need in that community.

Our Calgary location distributes food hampers every month to our brothers and sisters in need. Other than food support, Muslim Food Bank provides a lot of well needed services such as our Case worker program, mental health program and online workshops to help make our clients self-reliant. Through this expansion in Calgary we hope to increase our volunteer base and continue to serve more families in need in these areas.
